

Announcement regarding Changes in Interest Rate Options of CNY deposits

Dear Customer,

Thanks for your continued support to HSBC Bank (China) Company Limited (the "Bank"). Considering the Bank's business strategy under the current market conditions, the Bank will adjust its interest rate options of the following types of CNY deposits as below, effective from 21 June 2021(inclusive):

Note: "Board Rate" means the Bank's standard interest rate as displayed in the Bank's premises and/or website (www.hsbc.com.cn); and "PBoC Base Rate" means the base interest rate for corporate clients as published by the People's Bank of China.

Deposit Type	Options
Current account	<ul style="list-style-type: none">- Board Rate for current account; or- PBoC Base Rate for current account, plus or minus certain basis points
Contract savings	<ul style="list-style-type: none">- Board Rate for contract savings; or- PBoC Base Rate for contract savings, plus or minus certain basis points
7-day call (PLUS) deposit	<ul style="list-style-type: none">- Board Rate for 7-day call deposit; or- PBoC Base Rate for 7-day call deposit, plus or minus certain basis points
Term deposit	<ul style="list-style-type: none">- Board Rate for term deposit;- PBoC Base Rate for term deposit, plus or minus certain basis points; or- a fixed rate

The above-mentioned adjustment will not impact the actual interest rate accrued on any such CNY deposit placed with the Bank before 21 June 2021, and will only apply to any such CNY deposit placed or renewed on or after 21 June 2021. Please check the prevailing deposit rate before placing or renewing any relevant CNY deposit with the Bank. You may also wish to consider whether to amend or cancel any relevant renewal instruction by taking into account of the above adjustment.

Should you have any questions, please contact your Relationship Manager or our service hotline at 400-821-8878.
